## ESTABLISHED 1867

### ABOUT US:

#### Then and Now

In 1867, Percy Stuart Surridge created a sports brand. He applied the principles of tradition and craft with the concept of bringing innovation to improve performance; creating product by craftsmanship, originality and Britishness.

Today, Surridge is a brand that not only connects with our markets and consumers but also keeps with our origins and basis set over 150 years ago.

Our company is family owned in the UK and is self-financed, operating from our own custom built facilities in Lancashire of 60,000 sq ft - we will be happy to produce copies of our audited accounts to satisfy and due diligence procedures.

### ABOUT US: Continued...

Our Surridge Sport head office is located in Burnley, Lancashire. The site holds established facilities of embroidery, manufacturing, print and embellishment alongside dedicated design, product development, dispatch and customer service teams.

This allows Surridge the flexibility to manage and service our portfolio of accounts simply and efficiently; maintaining day to day fulfilment of orders as well as looking to make improvements and handle any quick turnaround of kit that may be required.

We have developed and maintained strong relationships with our suppliers in the Far East and have worked with them for many years which allows us to boast consistency and quality.

Here at Surridge Sport, our aim is to deliver a strong and substantial sports clothing supply contract. We guarantee improved quality of product, enhanced levels of service, seamless transition of supply with no down time in availability and an extensive catalogue of garments to cover a vast array of garments for your university sports club.

We formally extend an open invite to any of your personnel to visit us at any time.

ESSEX CCC

"Working with Surridge has always been about a partnership, as a company Surridge are always willing to listen and adapt to the changing expectation and landscapes within Cricket. The ability of the company to be flexible and open to adapting the offer to meet the needs of Players, Staff and the club has made working with Surridge a positive experience over the last 6 years. We look forward to continuing the partnership over the next few years."

**Dan Feist**  
Cricket Operations Director

"Surridge have again been a pleasure to work with. It's not been easy for anyone in professional sport working on large kit orders in negotiating tight deadlines, particularly in times that followed Brexit and COVID-19, but Jimmy's attention to detail is exceptional. It means I always have confidence that everything is in order and whenever we need to make some changes or additions, we do so in the knowledge that we're in safe hands. The design work of Jess and Celine has also been great, allowing us to continue building a strong brand and reflecting that in our playing and training kit ranges."
