**ESTABLISHED 1867**

**ABOUT US:**

**Then and Now**

In 1867, Percy Stuart Surridge created a sports brand. He applied the principles of tradition and craft with the concept of bringing innovation to improve performance; creating product by craftsmanship, originality and Britishness.

Today, Surridge is a brand that not only connects with our markets and consumers but also keeps with our origins and basis set over 150 years ago.

Our company is family owned in the UK and is self-financed, operating from our own custom built facilities in Lancashire of 60,000 sq ft - we will be happy to produce copies of our audited accounts to satisfy and due diligence procedures.

**Surridge Sport**

**ABOUT US: Continued...**

Our Surridge Sport head office is located in Burnley, Lancashire. The site holds established facilities of embroidery, manufacturing, print and embellishment alongside dedicated design, product development, dispatch and customer service teams.

This allows Surridge the flexibility to manage and service our portfolio of accounts simply and efficiently; maintaining day to day fulfilment of orders as well as looking to make improvements and handle any quick turnaround of kit that may be required.

We have developed and maintained strong relationships with our suppliers in the Far East and have worked with them for many years which allows us to boast consistency and quality.

Here at Surridge Sport, our aim is to deliver a strong and substantial sports clothing supply contract. We guarantee improved quality of product, enhanced levels of service, seamless transition of supply with no down time in availability and an extensive catalogue of garments to cover a vast array of garments for your university sports club.

We formally extend an open invite to any of your personnel to visit us at any time.
